SPECIAL PROGRAMS
FOR JANUARY

DON'T MAKE ME RALPH!
Saturday January 24 at 9:00 p.m.
Find out about the New Music Industry when KUOI's Skip Lunch interviews the friendly folks of Ralph Records. This San Francisco-based company has been in business for 10 years, all the while breaking the rules of the "music industry" and still coming out ahead. So you've probably never heard the Residents sing "Constantinople" or Tuxedomoon do "I Left My Heart in San Francisco"—there's still time to learn! Listen to "Don't Make Me Ralph" featuring an exclusive interview with Phil "Snakefinger" Lithman and some very rare and unreleased material by the Residents. In conjunction with this show, special edition Ralph EP's will be given away free during the noon and dinner shows of January 19 through 23. Listen to KUOI-FM for more details, and remember, as they say at El Ralph Studios: "Ignorance of your culture is not considered cool."

DEVO IN CONCERT
Saturday January 17 at 8:30 p.m.
The uncompromising, snarling sound of Akron's hottest new band, DEVO comes roaring across the KUOI airwaves through the live wires of the Warner Bros. Music Show. Led by sassy Mark Mothersbaugh, DEVO gives you a great performance from a recent concert in San Francisco. You'll hear songs from their first three albums, as well as previously unreleased material. Don't miss this extremely live set. Also—an encore presentation of Vic Vinson's interview with Mark Mothersbaugh. What more could you want?

DAMAGE ON THE AIR NO. 3
Tuesday January 20 and Saturday January 31 at 9:00 p.m.
One more chance for you to learn what's happening on the new music scene. This program contains interviews and music from Howard Devoto, Liquid Idiot and the L.A. band, Circle Jerks, as well as new releases by Offs, Ki-de-me, and Bow Wow Wow. Also, a DJ report from Phil Berry of WHBI, N.Y.

Here is the KUOI-FM music format for winter 1981. Find the times when we play the music you like and tune your radio to 89.3.

KUOI-FM News now features the alternative information package from Washington D.C.-based Pacific News Service. Pacifica News is dedicated to in-depth coverage at the national and world level and since they are supported by listener stations they do not answer to any advertisers.

Pacifica stations run about two minutes each, enough time to be thorough and at times controversial. Also, it seems that the incoming administration has already targeted Pacifica for its hit list. We should all appreciate this alternative while it still exists.

Once again KUOI-FM will broadcast live coverage of the Univ. of Idaho Women's Basketball games. Tune in at 89.3.
